

To All the Catholic Schools in Taiwan!

Thank you, to all in the Catholic School Community of Taiwan, who participated in any way to help raise funds towards our new Mother of Peace Primary School and our mission in Battambang, Cambodia.

The students, staff and families are very grateful for your efforts. The students especially, send their Thanks! Even though they are still not able to attend face to face schooling, your donation will help provide them with much needed resources and lunch supplies when they return to enjoy their new school environment.

‘Thank you so much for your donation that will help our school to develop and support us to grow and thrive in our learning! We hope to keep you updated on our educational progress.’

Orkurn chran!

Thank you very much!

We're so grateful for your generosity!

Because of your kindness, we are very
happy and feel at home at school
